

1

We take turns playing.
At your turn, pick a
card and read it aloud

2

When the Instruction
Cards are completed,
we continue in turn
with the Question
Cards.

3

Read each card aloud
and answer the
question asked.

4

Other players can ask
you questions or make
suggestions. But they
can't answer for you
and it's up to you to
decide whether or not
to take them into
account

5

If there is a card, or an
answer, that you do not
want to include in the
story, touch the X card.
This content is removed
from the game

6

Your turn, you can pass.
"Give" your card to the
next player and say,
"I'd like to hear your
answer to that
question."

7

A Question card can
thus be passed from
player to player until it
is cancelled by card X.

8

Continue to answer,
pass or use the X card
until the Final Card is
drawn.

9

Each player answers
the Final Question in
turn. Then the game is
over

10

Here is the initial
situation:

11

A few weeks ago, the
Zombie Apocalypse hit
the world.

12

A large part of
humanity has turned
into a horde of cannibal
zombies.

13

Chaos reigns. The government can no longer control the situation.

14

Apart from hordes of hungry zombies, looting, murder and general suspicions are spreading.

15

You are one of the few survivors, a group of nine people on their way to Atlanta.

16

Each player plays one of the members of the group.

17

Rumours are that the situation would be better in Atlanta.

18

So you hope to find a refuge or an evacuation zone or even a cure for the "disease".

19

Your convoy includes cars and trucks, food and weapons and a strong faith in the future.

20

But will your solidarity survive the dangers that lie ahead?
