1 We take turns playing. At your turn, pick a card and read it aloud	2 When the Instruction Cards are completed, we continue in turn with the Question Cards.	3 Read each card aloud and answer the question asked.	4 Other players can ask you questions or make suggestions. But they can't answer for you and it's up to you to decide whether or not to take them into account
5 If there is a card, or an answer, that you do not want to include in the story, touch the X card. This content is removed from the game	6 Your turn, you can pass. "Give" your card to the next player and say, "I'd like to hear your answer to that question."	7 A Question card can thus be passed from player to player until it is cancelled by card X.	8 Continue to answer, pass or use the X card until the Final Card is drawn.
9 Each player answers the Final Question in turn. Then the game is over	10 Here is the initial situation:	11 A few weeks ago, the Zombie Apocalypse hit the world.	12 A large part of humanity has turned into a horde of cannibal zombies.
